

About Us

Premium PVC Insulated Industrial Cables

As a premier manufacturer of PVC insulated industrial cables, we pride ourselves on providing exceptional wiring solutions that are not only high-quality but also designed for longevity and safety. Our products are highly regarded by contractors, original equipment manufacturers (OEMs), and various industries throughout India, ensuring reliability and trust in every project.

● 20+ Years of Experience

● ISI / ISO Certified

● High Production Capacity

● Pan-India Delivery

Our Vision

To become a trusted global leader in industrial cable manufacturing by delivering innovative, safe, and high-performance wiring solutions that power progress across industries. We envision a future where our products set new benchmarks for quality, reliability, and sustainability — supporting infrastructure growth while ensuring safety and efficiency at every connection.

Our vision is driven by:

- Continuous innovation in cable technology
- Uncompromising commitment to safety and quality
- Sustainable manufacturing practices
- Long-term partnerships built on trust and performance

Why Choose Us

High-quality cable solutions designed for reliability, safety, and long-lasting performance

- OK

ISI & ISO Certified Products
- OK

High Electrical & Mechanical Strength
- OK

Temperature & Chemical Resistant
- OK

Customized Sizes & Colors
- OK

Strict Quality Control
- OK

Competitive Bulk Pricing

Technical Specifications

Our cables are designed to meet rigorous performance standards for safety and durability.

Voltage Grade	1100V / 650V
Size Range	0.5 sq.mm to 400 sq.mm
Conductor Material	Copper / Aluminium
Standards	IS 694, IS 1554, ISO 9001
Insulation Types	FR, FRLS, PVC, HR PVC

Our Product Range

PVC Insulated Industrial Cables

Life Infinity

PVC Insulated Industrial Cables

Life Shield

Industries Served

- Construction & Real Estate
- Industrial Manufacturing Units
- HVAC Systems
- Automotive & Machinery
- Power Distribution & Panels
- Solar & Renewable Energy
